AMUSEMENTS

ALICE BRADY AT THE BUTLER TODAY

"The Indestructible Wife," Alice Brady's latest Select picture, will be the attraction at the Butler today. Clean, swift and intensely American, a story of big city life today in which duty discounts the cost. Splendidly cast and superbly produced—a Thomas H. Ince special.

The story deals with Charlotte, the strenuous bride of Jimmy Ordway. She is athletically inclined while her husband is not, and he finds a great deal of trouble in keeping up with her. He meets Brandy, a professional athlete, whom he decides is the correct man to tame her as Petruchio did the Shrew.

He kidnaps her and takes her to a boathouse. Brandy tries to rescue her but she loves Jimmy and refuses to be rescued, and tamed Charlotte and her tamer prepare to lead a less strenuous life.

Added to the program will be the latest Pathe News.

Tomorrow, Miriam Cooper in "The Deep Purple," a thrilling drama of the underworld.

Monday, "Homespun Folks," the first big picture of the Associated Producers.

TAX NOTICE

The first installment of 1920 taxes is now due and payable at the treasurer's office. Taxes will be delinquent on the first Monday in December.

THE UNIQUE

BOSTON OIL & GAS COMPANY

A NEVADA CORPORATION

2,000,000 SHARES.

PAR VALUE 10 CENTS

This company is operating under a permit actually issued by the Secretary of the Interior by which work will proceed at once or as soon as machinery can be installed. This is no long distance promise of the chance of getting a permit. The license under the seal of the Interior Department is here, and there is nothing to prevent the Boston Oil & Gas Company from going ahead without any of those nerve-racking waits that at one time threatened to impair confidence in the oil resources of the Fallon field. The Fallon Oil Field is now known to be proven territory, as the consensus of all geologists is that geological conditions are ripe for bringing in another great oil field that may prove the surprise of the world.

After a very careful investigation of the Fallon Oil Field I have decided to enter the activities of that District. My investigations included personal examinations, a careful consideration of the reports on the district by Geologists of high reputation, and an exhaustive report by a geologist sent into the field by myself. I am fully convinced that the Fallon Field will soon become one of the large producing districts of the United States. With this in view I have incorporated the Boston Oil & Gas Company, which owns permit granted by the Secretary of the Interior upon Section 9, Township 18 N., R 31 E. The land is in close proximity to the discovery well of the Fallon Oil & Gas Company and is considered by geologists to be as good as any in the district. The Boston Oil & Gas Company is being financed by New York and Boston capitalists, but a small amount of stock has been set aside for my Nevada clients.

HARRY C. STIMLER

NEVADA—THE VIRGIN OIL RESERVOIR OF THE NATION

PROSPECTS OF OIL—We look for the greatest boom Nevada has ever had as soon as the Fallon Gas & Oil Co. receives its permit, which has been promised by the government adjuster within the next few days. Well No. 1 will then be reopened so that the public will see that oil in commercial quantities has been found in the Fallon field. Seven rigs are actually drilling and more are getting ready. They are waiting for their permits, of which only five have been issued to date. Watch for the race to strike oil when these drills begin churning up the earth.

FOR FURTHER INFORMATION ADDRESS, H. C. STIMLER COMPANY, TONOPAH, NEVADA.

ALLOTMENT FOR TONOPAH

The first offering of a small block of shares in the Boston Oil & Gas Company through the TONOPAH BANKING CORPORATION or the H. C. STIMLER CO., Mizpah Hotel, will be sold at 12 1-2 CENTS PER SHARE.

The second allotment has already been underwritten in Boston at 25 cents a share.
